Papa's funni, he makes me laugh.
He's bin sad though, cause he says that
well he makes computers for submarines
(boats that go under water) they just
don't want the boats anymore. He says
we might have to move near
Bonmama (Yea! ... where is
that?) and he'll have to make
something new.

Ethin's

Paul's funni too, but i think
he's baaaa! He stole my
breakfast when we went to
the beach, when it was hot
out! We saw Claudie and Liinmar and
two other funny people (Mommi says
there's my cousins once improved) and we
saw Chuck! and Hane too. Papa says
Paul got a good computer.
Papa always gets me
what i want, i gezz Paul
has a good Papa too.

Chuck's funni too and i think
he might be Mister Ho Ho. He laughs
and runs after me and he tickles Ethin
(he's always happy, just like me.) Papa
says Chuck! and Hane ride their bikes

a lot. i hope Ho Ho brings me a
bike two, a too weeler.

Momma zaya Hane iz as smart as
my teacher. She zays she zells
cleening things, and things to kill
bugz...Yecch! Shez so pretty, i want
to be like her, when i get big.

See, thatz me riding a bike!

Editor's Note-Monica is still only three and is obviously not able to write just yet. Please forgive the presumption of the ghost writer. On a sadder note, it has been recently discovered that Monica is deaf to some frequencies, and actually cannot pronounce s. She's being fitted with a hearing aid and hopefully this will improve things.

Merry Christmas and Happy New Year! If you have any suggestions for future X-mas newsletters, please tell my parents. We're running out of ideas and any suggestions would be appreciated.
